EXPERIENCE

FULL STACK DEVELOPER- TRAINEE

DEC 2024 – APRIL 2025

Aneka Labs Pvt. Ltd

- Worked on **live projects**, contributing to both **front-end and back-end development** for real-world applications.
- Assisted in back-end development using **Node.js**, improving server-side functionality and database interactions.
- Transformed **Figma designs into functional front-end pages** using **HTML5, CSS3, and JavaScript**.
- Designed and developed responsive web pages using **Bootstrap 5, Angular, and React**, ensuring a seamless user experience.
- Conducted **unit testing, code reviews, and page resolution** to enhance code quality and maintainability.

DATA SCIENCE- TRAINEE

SEP 2023 – OCT 2023

MedTourEasy

- Learned **Python, Pandas, NumPy, and Scikit-learn** for data preprocessing, analysis, and predictive modeling.
- Worked on **real-world datasets**, applying **exploratory data analysis (EDA)** and building machine learning models
- Earned a Coursera certification, validating expertise in data-driven decision-making and analytics.

PROJECTS

1. Reework Website – Live Project (Aneka Labs)

- Contributed to the Reework Website, a live project for Aneka Labs, gaining hands-on experience in front-end development.
- Developed responsive and interactive web pages using **HTML5, CSS3, JavaScript, Bootstrap 5, and React.js**.
- Translated Figma designs into fully functional UI components, ensuring a seamless user experience.
- Strengthened skills in modern front-end development, working in a collaborative environment with designers and developers.

2. Tejo – Live Project (Aneka Labs)

- Developed **responsive front-end interfaces** using **React.js and Bootstrap**, ensuring a seamless user experience.
- Implemented **live audio recording functionality** in **Node.js**, enabling real-time voice capture and processing.
- Contributed to the development of a **chat-box application**, enhancing real-time communication features.
- Gained hands-on experience in **full-stack development**, collaborating with a team to build interactive web applications.
