INTERNSHIPS

Business Analyst - HAT 2025

My responsibilities at HAT included gathering and analyzing business requirements from stakeholders and documenting them as BRDs, FRDs, and user stories. I facilitate agile ceremonies like stand-ups, sprint planning, and retrospectives to support smooth execution. I manage the project lifecycle, monitor progress, and ensure timely delivery within scope.

UI/UX Designer - Swatle.ai 2024

Worked as a paid intern at Swatle.ai as UI/UX Designer and Social Media Coordinator for the project for a period of 1 month. I developed and executed social media strategies that boosted engagement and designed intuitive user interfaces and user experiences for web and mobile applications.
