- DaVinci Resolve
- Adobe Premiere
- Photoshop
- Data Analysis
- Root Cause Analysis
- Market Research
- Communication
- Product Strategy

Profile

I'm a BTech graduate in Electrical Engineering from IIT Kanpur (2023) and currently working as a Business Intelligence Engineer at Ola. I bring 1+ years of experience across data analytics, product strategy, and business intelligence. I specialize in optimizing SQL workflows, driving product insights, and building scalable data systems. My work has improved data processing efficiency and enabled business-critical decision-making across cross-functional teams.

Education

B.Tech in Electrical Engineering

Aug 2019 - May 2023

Indian Institute of Technology, Kanpur

Employment

Business Intelligence Engineer

Sep 2024 - Nov 2024

Ola

- Reduced query runtime by 30% by optimizing SQL queries across high-impact consumer dashboards.
- Designed and implemented 2 major dashboard modules (platform metrics & coin metrics) used by leadership for strategic decisions.
- Conducted root-cause analysis on data discrepancies, enhancing data integrity across 5+ consumer reports.
- Developed and maintained 10+ ETL pipelines and Oozie workflows, automating data ingestion and improving processing speed by 40%.

Product Trainee

Jan 2024 - Mar 2024

WISE

- Conducted market research that led to the introduction of 3 new product features, improving product stickiness.
- Analyzed behavioral data from 500+ users, identifying key friction points that reduced 1:1 course churn by 20%.
- Onboarded and supported 50+ users, enhancing retention through personalized onboarding and feedback loops.

Monitoring & Evaluation Manager (Intern)

May 2022 - Jul 2022

Peepul

- Collaborated with a 6-member team to evaluate education programs impacting over 5,000 students across India.
- Leveraged Excel, SQL, and Tableau to extract insights from large datasets (1M+ rows), improving NGO reporting accuracy.
- Created data visualizations and decks presented to senior stakeholders, directly influencing 3 policy recommendations.
