Education

Modern College of Arts ,Science and Commerce Ganeshkhind Pune

Pune, Maharashtra

M.Sc. (Statistics) CGPA 7.8

2021–2023

Sir Parshurambhau College of Arts, Science and Commerce Pune

Pune, Maharashtra

B.Sc (Statistics) Percentage: 79%

2018-2021

Experience

VISITING FACULTY

Jun 2023 – Jun 2024

COEP TECHNOLOGY UNIVERSITY PUNE

- Provided academic advising and support to students, guiding them in their academic and career goals.
- Individually handle theory and practical sessions of R-software, Python, Machine Learning and Time series.
- Collaborate with faculty for curriculum development and academic research.
- Conduct lecture on Probability Theory, Statistical inference, hypothesis testing, etc

SHIKSHANGANGA FOUNDATION PUNE

May 2022 – June 2023

- Worked as mentor for Virtual learning centre program.
- Worked as intern at Kshtiji Community Center.

Projects

Warranty_Fraud_Analysis

The objective of the analysis is to predict an item when sold, what is the probability that customer would file fraudulent Genuine warranty and to understand important factors associated with them. Using Machine Learning Techniques.

A Time-Series Analysis of student visiting library throughout the year 2022-2023

This project aims to analyze the library data of a college to gain insights into student behavior, resource utilization, and identify opportunities for improving library services. The analysis begins with exploratory data analysis techniques to understand the distribution, trends, and patterns within the library data. Descriptive statistics, visualizations such as histograms, time series plots, and density plots are used to gain initial insights into the data.

Technical And Soft Skills

Technical Skills: - Python: Numpy, Pandas, Matplotlib, Seaborn

SQL: Create, Insert, Update, Data types, Joins.

Statistical Methods: Regression Analysis, Multivariate Analysis, Hypothesis testing, Time series.

Machine Learning: Classification, Clustering, Decision Tree, Bagging, Boosting, SVM

PowerBI: Building data Visualization and Reports, DAX Measures.

Advanced Excel: Pivot Tables, Charts, Lookups, Power Query, Data Validation

Soft Skills:- Problem solving, Team-player, Communication, Leadership.

Course Certifications

- Completed **Machine Learning** course from Symbolic Skills and Professional University.
