

ROHIT AJAGEKAR

rohitajagekar42@gmail.com | 8080603083 | pune 411011 | [LinkedIn](#)

Data-driven engineering student with hands-on experience in BigQuery, Excel, and Google Data Studio. Skilled in transforming complex datasets into business-ready dashboards and actionable insights.

EDUCATION

All India Shri Shivaji Memorial Society IOIT Bachelor of Technology- Electronics and Telecommunication Minor - Artificial Intelligence and Data Science	2022-2026 Pune
Chate college and junior college of science Higher Secondary Certificate - 89% in HSC boards	2020-2022 Kolhapur

SKILLS

- **Programming Languages** : Python, Embedded C
- **Tools** : Google Data Studio, Excel, BigQuery, Looker.

PROJECTS

Loan Insights Dashboard using Google Cloud Platform • Utilized BigQuery to process and query large datasets efficiently. • Applied data cleaning and transformation techniques to prepare data. • Created insightful visualizations in Google Data Studio to highlight KPIs like top-performing products, monthly revenue, and regional sales.	Mar 2025
Smart Glove – Sign Language to Text Converter Academic Project • Integrated flex sensors and an MPU6050 motion sensor to detect finger bends and hand orientation. • Programmed the PIC18F4550 microcontroller to interpret gesture patterns and display corresponding alphabets on an LCD. • Delivered real-time gesture recognition with high accuracy for common sign language characters.	Sept 2024 - Nov 2024

CERTIFICATIONS

- **Google Cloud: Data Analytics Course (Coursera)**
- **Python Programming Masterclass (Pantech)**
- **Excel Fundamentals (Macquarie University)**

OTHERS

- Member of “**National Service Scheme (NSS)**”
- **Volunteering**: Part of “Pune Ploggers”, a non-profit community organisation promoting environmental cleanliness.
- Event Head at “ALACRATY FEST”, a collage-level technical event.
