Professional Summary

Computer Engineering student with hands-on experience in data analysis, visualization, and machine learning. Proficient in Python, SQL, and Power BI with strong problem-solving and communication skills. Eager to contribute to real-world analytics projects in a dynamic organization.

Education

Bachelor of Computer Engineering

Keystone School of Engineering, Pune

SGPA: 9.05

Dec 2021 – May 2025

HSC - Science

Dnyanganga Junior College, Pune

Marks: 72.31%

Jun 2019 – Mar 2020

SSC

Utkarsha Madyamik Vidyalaya, Pune

Marks: 87%

Jun 2017 – Mar 2018

Technical Skills

- **Programming Languages:** Python
- **Libraries and Frameworks:** Pandas, NumPy, Matplotlib, Seaborn, Scikit-learn
- **Visualization Tools:** Power BI
- **Databases:** SQL
- **Developer Tools:** VS Code, Jupyter Notebook, Google Colab
- **Soft Skills:** Analytical Thinking, Communication, Teamwork, Leadership, Attention to Detail

Professional Experience

Data Science Intern

Apr 2024 – May 2024

MiTu Skillology, Pune

- Practiced data preprocessing: cleaning, transformation, and feature selection.
- Created visualizations with Matplotlib and Seaborn to derive actionable insights.
- Learned industry workflows and participated in mock analytics projects.

Projects

Smart Career Connect: AI-Driven Training and Placement Portal

- Built a Django-based portal with student profiles and AI-driven mock interviews.
- Implemented real-time posture and tone analysis using MediaPipe and SpeechRecognition.
- Enabled job eligibility checking based on academic performance.
- Tools: Django, Python, OpenCV, MediaPipe, SpeechRecognition, spaCy

E-Commerce Sales and Customer Analytics Dashboard (Power BI)

- Designed a Power BI dashboard to analyze sales, profit, discount, quantity, and order trends from an e-commerce dataset.
- Created visualizations using KPIs, bar/line charts, and maps, with DAX for dynamic calculations.
- Enabled drillthrough pages and bookmarks for customer-specific navigation and insights.
- Tools: Power BI, DAX, Excel

Certifications

- | | |
|---|----------------|
| • Introduction to Python – Sololearn | September 2023 |
| • Introduction to SQL – Sololearn | August 2023 |
| • Deloitte Australia Data Analytics Virtual Internship – Forage | July 2025 |
