## COMPUTER SCIENCE GRADUATE

 safanaazshaikh@gmail.com

 7975093617

 Karwar, Karnataka

Motivated and detail-oriented engineering graduate with a strong foundation in computer science engineering and a passion for innovation and problem-solving. Looking forward to utilize my skills and knowledge to fill the requirements of the organization and Contribute to the organization to the best of my ability.

### ED UCATION

#### BACHELOR OF ENGINEERING

Anjuman Institute of Technology & Management  
Bhatkal, Uttar Kannada  
2025 CGPA: 8.1

#### DIPLOMA IN COMPUTER SCIENCE & ENGINEERING

Government Polytechnic Karwar  
2020 59.63%

#### NIRMALA RANI HIGH SCHOOL

Sunkeri, Karwar  
2016 76.32%

### SKILLS

- Python
- Html
- Java
- NumPy
- Pandas
- MySQL
- Basic of machine learning
- MS Excel
- CSS

### INTERNSHIP

Python programming and artificial intelligence

FEB 2025 – MAY2025

### LANGUAGES

#### ENGLISH

*Full Professional Proficiency*

#### KANNADA

*Basic Proficiency*

#### KONKANI

*Average Proficiency*

#### HINDI

*Full Professional Proficiency*

### SOFT SKILLS

Problem solving  
Communication  
Team collaboration  
Adaptability  
Creative thinking  
Time management

### PERSONAL PROJECT

#### Anti Face Spoofing Detection System

- GOAL: To implement a real time system to detect spoof attacks in real time.
- Tech Used: Built with Python, OpenCV, and Media Pipe.
- Functionality: The system captures live video and detects eye landmarks and texture analysis of the image in real time and classify whether image is real or fake.
- Result: Achieved about 92% accuracy.

### ELECTION VOTING SYSTEM

- Goal: To create a secure and user-friendly digital voting system.
- Tech Used: Used MySQL for database and XAMPP for web server setup.
- Features: Managed user info, voting records, and result announcements via SQL.
- Benefit: Enabled easy, organized, and digital election processes.

### CERTIFICATIONS

- Application Developer Web Mobile (Issued by IT-ITES Sector Skill Council under PMKVY) 23/4/2025
- Life Skills (Jeevan Kaushal) 2.0 Wadhvani Foundation, in association with Rومان Technologies Pvt. Ltd (December 2024) Successfully completed certified training on life skills including communication, critical thinking, emotional intelligence, teamwork, and leadership.
- Certification Program in Data Science -4 months (2021)
