

Sanskar Modi

BUSINESS ANALYST

SUMMARY

BBA graduate with expertise in accounting and finance, demonstrating strong analytical skills that contribute to organizational success. Currently pursuing an MBA, prepared to leverage business acumen as a business analyst. Proven track record of enhancing financial performance through data-driven insights.

PROJECTS

Metro Industrial Visit

Coordinator Oct 2024 - Jan 2025

Visited the swargate metro station in Pune to learn and understand the management of metro. Gained practical insight. Observed key components such as signaling, control rooms and track alignment.

NGO Visit

Lead Oct 2024 - Jan 2025

Engaged in community outreach activities such as meeting orphan children in school and helping them by providing food and gifts.

Research Work

Research Analyst Oct 2024 - Jan 2025

Met new people in a mall to know the perception of using branded products or local products. Collected many responses from the people.

Research Project

Research Analyst Feb 2025 - Jun 2025

- Conducted a primary research study involving 113 respondents to analyze behavioral changes in spending due to digital payments.
- Designed and distributed structured questionnaires to gather relevant consumer insights.
- Applied statistical tools to interpret survey data and identify trends in spending patterns linked to cashless transactions.
- Developed a comprehensive report with actionable findings on the influence of digital payments on purchasing behavior.
