◆ About Me

Results-driven project management professional transitioning into data analysis, with hands-on experience in SQL, Power BI, Excel, and Python through personal projects and certifications. Strong leadership, problem-solving, and communication skills developed in project delivery roles, now applied to data-driven work. Passionate about continuous learning, data insights, and emerging technologies—currently exploring AI agents and automation to enhance business workflows and decision-making.

◆ Skills

- **Data Analysis:** Excel, SQL, Power BI, Python
- **Data Visualization:** Power BI dashboards and reports
- **Database Management:** SQL querying, design & maintenance
- **Programming:** Python (NumPy, Pandas, Matplotlib, Seaborn)
- **Machine Learning:** Basic understanding of ML, neural networks, deep learning
- **Cybersecurity & Networking:** Basic knowledge of cybersecurity principles and networking concepts
- **AI Agents & Automation:** Exploring use of AI tools and workflow automation for productivity and data processes

◆ Work Experience

Senior Project Manager

Enuncia Global Pvt. Ltd., New Delhi

January 2024 – Present

- Promoted rapidly from Project Coordinator → Project Manager → Senior Project Manager
- Led cross-functional teams across multiple high-impact projects
- Mentored junior managers, ensuring team alignment with business goals
- Delivered complex projects on time with a focus on quality and stakeholder satisfaction

◆ Data Projects

Exploratory Data Analysis

- Conducted EDA on Titanic, Zomato, and Supermarket datasets using Python (Pandas, Seaborn, Matplotlib)
- Extracted actionable insights and presented key findings

Power BI Dashboards

- Created dynamic dashboards using the Adventure Works dataset
- Shared insights via interactive visual reports (published on Kaggle)

SQL-Based Analysis (PostgreSQL)

- Analysed a vehicle dataset using advanced SQL queries
- Built reports to support decision-making based on relational data patterns

◆ Education

B.Tech in Mechanical Engineering

C.V. Raman College of Engineering, Bhubaneswar

◆ Certifications

Data Analysis

- *PostgreSQL* – Udemy
- *Microsoft Power BI* – Udemy
- *Data Analysis Bootcamp* – Udemy
- *Python for Data Science and Machine Learning Bootcamp* – Udemy

Cybersecurity

- *Bug Bounty* – Indian Cyber Club
