

Shivanna G.J

SQL Developer | Data Analyst

Davangere, Karnataka, India

Email: shivannagj86@gmail.com | Phone: +91-6363240477

Professional Summary

Analytical and detail-oriented Data Analyst with over 2.5 years of experience in data analysis, SQL development, Excel automation, and Power BI dashboard creation. Proven ability to derive insights from large datasets to support business decision-making. Strong foundation in programming, data visualization, and reporting.

Technical Skills

- Data Analysis Tools: **SQL, Power BI, MS Excel, Tableau** (PivotTables, VLOOKUP, Charts)
- Programming: **Core Java, Python**
- Databases: **RDBMS, Oracle SQL**
- Development Tools: Eclipse, IntelliJ IDEA, EditPlus
- Concepts: Data Warehousing, ETL, Reporting, Full Stack Java Development - Soft Skills: Analytical Thinking, Problem Solving, Team Collaboration

Work Experience

- SQL Developer / Data Analyst
- Ninestars Information Technologies Pvt. Ltd, Bengaluru
- Jan 2023 – Present
 - Collected, cleaned, and analyzed datasets, increasing reporting efficiency.
 - Automated reports using SQL and Excel Macros, reducing turnaround time.
 - Developed Power BI dashboards integrated with SQL databases for real-time monitoring.
 - Supported business teams with weekly/monthly performance insights.
 - Collaborated across departments to improve data quality and consistency.

Projects

1. Data Extraction & Reporting Tool

- Built a tool using SQL & Python to extract, clean, and process study abroad data. - Designed Power BI dashboards for country-wise data trends and KPIs.

2. IoT-based Solar Powered Smart Bag

- Developed a multifunctional smart bag with mobile charging, GPS, and anti-theft features.
- Used basic electronics and Python programming for hardware-software integration.

3. Employee Attendance & Salary Management System

- Designed and implemented an attendance tracking and payroll system using SQL and Excel.
- Developed automated queries and macros to calculate working hours, overtime, and monthly salaries.
- Created a Power BI dashboard for management to view real-time employee attendance and cost analysis.

Education

Bachelor of Engineering (B.E.) in Electronics & Communication

HMS Institute of Technology, Tumkur (VTU) | 2021 | CGPA: 7.69

XIIth (PUC) | 2017 – English Medium

Xth (SSLC) | 2015 – English Medium

Certifications & Workshops

- Full Stack Developer – KodNest
- Python & IoT Workshop – Innowitech Solutions
- Technical Paper Presentation – GITAM University

Languages

Kannada (Native), English (Fluent), Telugu (Conversational), Hindi (Conversational)

Hobbies

Watching Cricket, Listening to Music
