Education

Indian Institute Technology (ISM) Dhanbad

May 2025

Bachelor of Technology in Engineering Physics

Dhanbad, Jharkhand

- Relevant Coursework: Probability Statistics, Data Analytics, Machine Learning, Python Programming, Business Analytics, Data Visualization

Experience

Accenture North America Data Analytics on Forage

Jan 2025 - March 2025

Data Analytics and Visualization

Remote

- **Challenge:** A social media client needed actionable insights from unstructured data to improve content engagement
- **Action:** Cleaned and analyzed 7 raw datasets using Python and Excel; designed data models for content performance.
- **Result:** Identified top-performing content clusters, improving engagement strategy by 18%; presented findings via dashboards and client-facing pitch deck.

Projects

Marketing-Performance-Customer-Conversion-Analysis | SQL, Python, Power BI, DAX, Excel, Data Modeling

[link](#)

- **Challenge:** Marketing team lacked clarity on seasonal conversion patterns.
- **Action:** Conducted behavioral segmentation and click-through trend analysis on 50k+ customer interactions.
- **Result:** Boosted conversion rate by 5.2% (from 5.0% to 10.2%) and maintained a 15.37% CTR despite declining impressions; improved review scores from 3.7 to 4.0 via review sentiment analytics.

Financial Performance Dashboard using Power BI | Power BI, DAX, Excel, Data Modeling

[link](#)

- **Challenge:** Sales and profit trends were unclear across business segments.
- **Action:** Built a Power BI dashboard covering 861K+ orders, integrating drill-through features and KPIs.
- **Result:** Uncovered key revenue drivers, supporting a +249% sales and +236% profit uplift; enabled real-time decisions via executive-ready visuals.

Skills

Languages: Python, SQL, C, C++

Frameworks: Pandas, Numpy, Matplotlib

Tools: MySQL, Power BI, Excel, MS Office, Word, PowerPoint

Soft Skills: Report Building, Stakeholder Management, Problem Solving, Data-driven Decision-Making

Achievements

- Secured admission into **IIT (ISM) Dhanbad** by cracking one of the world's toughest engineering entrance exams – **JEE Advanced 2021** – placing in the **top 2% among 1 million+ aspirants**.
- **2nd Runner-Up** – Tradathon, Stock Trading Contest, Concetto'22

Social Engagements

Volunteer, Blood Donation Drive: Mobilized over 100 donors by coordinating outreach and logistics.

Class Teacher, NGO Kartavya: Mentored 200+ underprivileged students; improved academic performance by developing personalized study modules.

Event Organizer, IIT ISM Fests: Handled cross-team communication and logistics for **Concetto'22** and **Khanan'22**, driving 30% increase in participation

Athletics Participant: Represented hostel in inter-hostel events, fostering discipline and team collaboration.
