Karur-639113

SUMMARY

An enthusiastic individual with a strong passion for business analytics exploring new concepts and acquiring diverse skills. Actively engages in learning opportunities and takes initiative to understand and adapt to new challenges. Involved in various club activities, videography, demonstrating teamwork, leadership, and a commitment to personal and professional growth. Adept at fostering collaboration and contributing to vibrant community initiatives.

SKILLS

- UI/UX
- Business Analytics
- Business Development Execution
- Sales Development
- Communication Management
- Customer Relationship Management
- Digital Marketing
- Basics of C

CERTIFICATIONS

- Certification of course completion in Business Analytics
- Course completion in Smart Visualization of Industrial parameters, IoT application design using LORA technology
- State level certification in Welding (TN Skills)

AREA OF INTEREST

- Digital Marketing
- Sales Development
- Youth Red Cross
- Engaging Business Ideas
- Filming Nature
- Figma

ACTIVITIES

- Organised and volunteered a National level event, BIT V-PRAYUKTI
- Organised and volunteered a red ribbon club event
- Winner in inter-college carrom tournament
- Runnerup in inter-college Best physique

PROJECTS

IoT BASED FOOD SPOILAGE DETECTION USING RASPBERRY Pi

- Developed an IoT system using Raspberry Pi and sensors to monitor environmental factors such as temperature, humidity, and gas emissions.
- Enabled real-time analysis and remote alerts to notify users about spoilage risks, contributing to food safety and waste reduction.

WEED DETECTION USING CNN

- Built a Convolutional Neural Network (CNN) to automatically classify weeds from crops using agricultural field images.
- Aimed to enhance precision in weed detection, reduce herbicide usage, and improve crop yield.

ADDITIONAL CERTIFICATIONS

- Wildlife Ecology
- Forest and their Management

EDUCATION

Bannari Amman Institute of Technology-sathy.

Electronics and Communication Engineering
2022 – 2026

Bharani Park Higher secondary school-karur.

HSC-62%

Sri Ramakrishna matriculation school-karur.
