Career Objective

As a highly motivated and enthusiastic Software Developer, I am eager to kickstart my career contribute skills dedication dynamic organization. Seeking role where I can apply knowledge learnt from experienced professionals. Excited to work collaboratively in team-oriented environment & take on new challenges make positive impact

Technical Proficiencies

Programming Languages	: Python
Web Technologies	: HTML CSS Streamlit (Python Library)
Database Management	: MySQL
Cloud Technologies	: AWS (S3, VPC, EC2), Google Cloud Platform
AI/ML	: Deep Learning Techniques, Learning Models, NLP
Software Development Tools	: Version Control Systems (Git, GitHub)
Additional Skills	: Microsoft Office Suite, Power BI, Software Testing

Interpersonal Skills

Strong Problem Solving | Adaptability | Multi - Tasking | Efficient Workflow Management | Attention to Detail

Projects

1. Marksheet Parsing System Using Paddle OCR with Excel Integration

Developed a real-time text extraction system from student marksheets using PaddleOCR & OpenCV. Integrated with Flask for deployment and Excel for structured data entry. Achieved high accuracy & can process multiple mark sheets in real-time, improving efficiency for large institutions.

2. Burned Calorie Tracker using Random Forest Regressor

Designed an ML-based recommendation engine for ranking potentially habitable exoplanets. Utilized scientific datasets and applied feature selection & classification to improve prediction accuracy.

3. Food Nutrition Analysis using Data Analysis

Built a content-based recommendation system using NLP techniques to suggest movies. Demonstrated expertise in retrieval algorithms and ranking systems, applicable to e-commerce search & recommendations.

Education

BTech, Computer Science & Technology, Madanapalle Institute of Technology & Science
CGPA: 7.86

Dec 2021 – May 2025

Intermediate, Sri Vasavi Jr. College
2021

2019 –

Grade/Marks: 789

X Class, Sri Chaitanya E.M High School
GPA: 9.2

2018 – 2019

Certifications

- Cloud Skill Challenge on Azure AI Fundamentals - Microsoft Learn Student Ambassador
- Software Engineering Job Simulation Certification – JPMorgan Chase & Co.
- Salesforce Developer – Smart Bridge in Partnership with AICTE
- Cyber Threat Management – CISCO
- Google Data Analytics Certification – COURSERA
- Network Technician Career Path – CISCO
- Introduction to Cybersecurity – CISCO
- Data Analytics Essentials – CISCO
- Azure Data Engineer Associate – MICROSOFT
