

SUPRIYA RAJKUMAR NANAWARE

📞 9967225532 ✉ nanawaresupriya20@gmail.com 📍 Mumbai

SUMMARY

MBA student specializing in Business Analytics with a Computer Engineering background. Highly motivated, with proven skills in transforming data into strategic business insights. Proficient in analytical tools, data storytelling, and problem-solving. Committed to continuous learning and delivering impactful solutions.

EDUCATION

MBA - Business Analytics | Savitribai Phule Pune University | 2023 - 2025 | CGPA:7.68
Bachelor of Engineering - Computer Engineering | Mumbai University | 2019 - 2023 | CGPA: 8.73
HSC - Science | Maharashtra State Board | 2019 | 61.69%
SSC | Maharashtra State Board | 2017 | 86.80%

PROJECTS

A Comprehensive analysis of customer purchasing behavior for strategic business growth
Technologies: Machine Learning, Power BI
Understanding customer purchasing behavior is aiming to achieve sustainable growth in an increasingly competitive and dynamic market environment.

House Price Prediction using Machine Learning
Technologies: Machine Learning, Python, Data Analysis
Developed predictive models to estimate housing prices, improving forecasting accuracy using real-world datasets.

Hidden Text Image GUI Application
Technologies: GUI Development, Image Processing
Built a secure GUI tool to hide sensitive text within images for enhanced data protection.

INTERNSHIP

Data Analyst
Name of company: Edulyt India
Period: 16th June to 16th Sept 2024
Decoding India's Swipe Culture: A Comprehensive Analysis of Credit Card Transactions using Python for data collection and cleaning, uncover spending patterns and customer insights

TECHNICAL & ANALYTICAL SKILLS

- Data Visualization: Power BI
- Statistical Analysis: R Programming, Python (Pandas, NumPy)
- Data Analysis & Reporting: MS Excel
- Business Intelligence: Data Storytelling, Predictive Analytics
- Machine Learning Basics: Regression, Classification, Clustering Models
- Database Handling: SQL (Basics)
- Additional: Problem Solving, Critical Thinking, Presentation Skills

TOOLS & TECHNOLOGIES

Power BI | Python | R Programming | MS Excel | SQL | Data Analysis Libraries

STRENGTHS

Quick Learner | Analytical Thinker | Strong Communication | Team Player | Detail-Oriented

LANGUAGES

English - Professional Proficiency

Hindi - Full Working Proficiency

Marathi - Native Proficiency

RESEARCH & PUBLICATION

House Price Prediction Using Machine Learning

Published in International Research Journal of Modernization in Engineering Technology and Science, March 2023

CERTIFICATIONS

MS Excel Certified

Bharatanatyam Gandharva Certifications (2014, 2015, 2016)
