-

Professional Experience

Technical Support Engineer | Enphase Energy, Bengaluru

Nov 2022 – Jun 2025

- Achieved and consistently maintained a 95%+ Customer Satisfaction (CSAT) score through high-quality voice and chat-based technical support for a SaaS solar platform.
- Managed 15–20 daily support interactions, attaining a 95% First Contact Resolution (FCR) rate.
- Authored comprehensive help documentation and optimized Standard Operating Procedures (SOPs), collaborating with product teams to drive scalable platform improvements.
- Developed onboarding guides and an internal knowledge base that increased support efficiency by 20%.

Team Leader – Operations | Rizona Software Pvt Ltd, Hyderabad

Nov 2021 – Nov 2022

- Managed a team for international client operations across voice and backend support to ensure high-quality service delivery.
- Mentored and coached new hires, fostering their development and optimizing team-wide processes.
- Conducted performance reviews, strategic shift planning, and served as the primary point of contact for issue escalation.

Acting Team Lead – Tech Support | Vodafone Intelligent Solutions (VOIS), Ahmedabad

Nov 2018 – Nov 2021

- Supervised a team of over 10 support specialists in a Tier 2 international technical support environment.
- Ensured strict adherence to Service Level Agreements (SLAs) and managed all high-priority escalations.
- Delivered agent training programs and created internal documentation to enhance team knowledge and performance.
- Led process improvement initiatives and provided hands-on support for enterprise communication tools.

Fraud Analyst | TTEC (Airbnb Process), Ahmedabad

May 2017 – Nov 2018

- Investigated and flagged suspicious user transactions, significantly improving fraud detection rates and upholding compliance standards.
- Drafted and standardized structured SOPs for risk management by liaising with global teams.
- Handled customer-facing queries related to account verification, security, and platform policies.

Education

Master of Business Administration (MBA), Business Analytics & Marketing | 2021 – 2023

International Institute of Business Studies, Bengaluru

Bachelor of Technology (B.Tech), Computer Science Engineering | 2012 – 2016
