

TILAK NAKADE

Data Analyst | BI Analyst | Business Analyst

+91-8485033301 | tilaknakade00@gmail.com | GitHub | LinkedIn

PROFILE

Aspiring **Data Analyst** with a strong foundation in **Computer Engineering**, specializing in **data cleaning, visualization, KPI tracking, and business reporting**. Adept at using **SQL, Power BI, Python, and Excel** to extract insights, drive decision-making, and support business goals. Completed multiple **virtual internships** and hands-on projects simulating real-world analytics challenges. Seeking an **entry-level Analyst role (Data, Business Analyst, BI Analyst)** in a data-driven organization where I can apply analytical thinking and technical skills to solve meaningful problems.

SKILLS

Programming & Data Tools: SQL (MySQL), Python (Pandas, Matplotlib), DAX

BI & DATA Tools: Power BI (Dashboards, AI Visuals), Tableau (Basic), MS Excel, Google Sheets

Analytical Techniques: Data Cleaning, Exploratory Data Analysis (EDA)

Concepts & Frameworks: ETL, Data Storytelling, KPI Analysis, Business Reporting

Professional & Soft Skills: Communication, Problem-Solving, Collaboration, Adaptability, Time Management

PROJECTS

Sales Analysis Dashboard (MS Excel) -

May 2025

- Built a dynamic sales dashboard using Pivot Tables, Charts, and Slicers, reducing manual reporting time by **40%**.
- Analysed Superstore data to uncover **12+** insights on regional trends, product performance, and customer behaviour.
- Improved data visibility for business **KPIs** (Sales, Profit, Quantity Sold) with interactive, presentation-ready layout.

Sales Intelligence Dashboard (Power BI) -

May 2025

- Created an interactive sales dashboard analysing KPIs across **15+** product categories.
- Reduced category-wise data retrieval time by **30%** with optimized DAX formulas.
- Enabled a **25%** faster decision cycle using AI visual-based forecasting.

CERTIFICATIONS

- Career Essentials in Data Analysis by Microsoft and LinkedIn**
- Career Essentials in Business Analysis by Microsoft and LinkedIn**

VIRTUAL INTERNSHIPS

Quantum Virtual Internship – Data Analytics (Forage)

April 2025

- Simulated real-world stakeholder collaboration and iterative feedback in a virtual team setting.
- Analysed customer transaction data to extract insights and provide data-backed business recommendations.
- Extended analytical capabilities to identify benchmark stores for conducting uplift testing on trial store layouts, enabling evidence-based decision-making.

Deloitte Australia Virtual Internship – Data Analytics & Forensics (Forage)

April 2025

- Contributed to group analysis through shared dashboards and synthesized data-driven business outcomes.
- Created a data dashboard using Tableau (Basic).
- Used Excel to classify data and draw business conclusions.

EDUCATION

Savitribai Phule Pune University (SPPU)

Pune, India

Bachelor of Engineering (B.E.) in Computer Engineering

2021 – 2025

- CGPA: **7.7+** | Ranked in **Top 10%** of the batch | Graduated with **First Class**
- Led academic projects and coordinated department-level technical events
