-

Education

Master of Computer Applications (MCA)

North Maharashtra University, Jalgaon | CGPA: 9.46 | Expected Completion - 2026

Bachelor of Computer Applications (BCA)

Shram Sadhana Trust's Arts, Commerce & Science College, Jalgaon | CGPA: 9.05 | 2021-24

Internship

Intern – Data Analyst at NMD Infotech Pvt. Ltd.

Jan 2025 – June 2025

Worked on real-time datasets to derive insights using Excel, SQL, and Python. Performed data cleaning, transformation, and visualization using tools like Power BI. Assisted in building dashboards for client reports and internal performance tracking.

Projects

• Product Sales Performance Analysis

Designed an interactive dashboard to analyze product sales data using Power BI. Key features include sales trends, category-wise performance, order metrics, and product-level insights. Enabled data-driven decisions through dynamic visuals and filters.

Technologies : Power BI, Excel

• Campus Recruitment Analysis |

Designed and developed an interactive Power BI dashboard to analyze campus recruitment data of students. Identified key trends in placement rates, average salary, academic performance, and the impact of work experience. Enabled actionable insights for data-driven decision-making.

Technologies : Power BI
