## EXPERIENCE

### unacademy

#### BDE

MARCH 2024

Noida

- Identifies business opportunities by identifying prospects evaluating their position in the industry researching.
- Maintain relationships with clients by providing support, information and guidance, researching and recommending new opportunities, .
- Prepare reports by collecting, analyzing and summarizing information.
- Sale in Corporate/Network marketing and sales or Recruitment /Solution selling.

### Artificial Intelligence and machine learning

#### IIT kanpur technology

December-2021

kanpur u.p.

- Work as a Artificial intelligence pandas and numpy to develop AI modules for machine learning algorithms.

## PROJECTS

### IOT Gas pipe Leakage Detector Insect Robot

#### Self-Learning Project

October 2022 – December 2022

- Gas pipes play very important roles for cities, industries and thus in growing economies.
- we use IOT gecko to receive and display the gas leakage alert and location over IOT.
- Gas pipe and detects gas leakages instantly at a low budget.

### IOT Heart Attack Detection Heart Rate Monitor

#### Self-Learning Project

December 2020 – January 2021

- Heart diseases including increased risk of heart attacks. Our proposed system users sensors that allow to detect heart rate of a person using heartbeat sensing even if the person is at home.

### Python Image Forgery Detection using MD5 and OpenCV

#### Exploratory Project

October 2021 – November 2022

- We use Opencv to read image1(the original image)
- Useful to detect doctored images or signs of forgery in photos. Easy to use. Maintains security by ensuring only Admin can see the results of the image analysis.

## EDUCATION

### Integrated B.Tech in Electronics and communication

#### Dr. APJ AKTU Lucknow

July 2023

CGPA:7.74

### Class XII

#### Shri JBSIC kakwa

June 2019

71.08%

### Class X

#### Shri JBSIC kakwa

June 2017

78.33%

## SKILLS

Lead generation

Data mining

Bulk email

Cold call

No.email

Team Lead

Technical knowledge

MS windows

Matlab

Matplotlib

numpy

## COURSEWORK

- Data Structures and Algorithms
- Object- Oriented Programming
- Software Engineering
- Artificial Intelligence
- Engineering Mathematics I & II
- Operating Systems
- machine learning

## SEMINARS/WORKSHOPS

- Webinar 8 May 2022 on Rightpating our careers in IT serviceaamo;Renewable Energy sectors
- Event Head- Internet of things course at 2022, IBM

## STRENGTHS

- Good communication
- Customer Relationship Management
- Positive Attitude towards work
