SUMMARY

I am a hardworking and adaptable individual with strong communication and time management skills. I enjoy working both independently and as part of a team. During my academic journey and internship experience, I have learned to manage tasks efficiently, solve problems creatively, and stay organized under pressure. I pay close attention to detail and take pride in doing my work well. I'm always open to learning new things and improving myself. My interest in creativity and design helps me bring a fresh perspective to what I do. I'm confident, responsible, and ready to take on new challenges.
