EXPERIENCE

Clubchat

Remote, India

UI/UX Design Trainee

June'24– Aug'24

- Created wireframes and interactive prototypes for mobile app designs using Figma, improving user experience clarity.
- Conducted user research and gathered feedback to refine design solutions.
- Collaborated with the team to deliver user-centric UI designs on time.

Learn and Build

Remote, India

Web Development Intern

July'23– Aug'23

- Worked on building basic web pages using HTML, CSS, and JavaScript.
- Assisted in simple frontend tasks like styling and content updates.
- Learned fundamentals of web development and teamwork in a remote setting.

PROJECTS

E-Commerce Website

- Developed the responsive frontend (HTML, CSS, JavaScript) for a prototype e-commerce website.
- Implemented core user interface elements, including product displays and shopping cart interactions.
- Gained practical experience in translating design concepts into functional web pages, focusing on user engagement.

Agro-based Website Design

- Designed the comprehensive UI/UX for a multi-page agricultural website prototype using Figma.
- Developed an intuitive navigation structure and visual hierarchy for presenting diverse farm-related information.
- Created a consistent design system to ensure brand cohesion and a seamless user experience across the platform.

Clubchat Platform Design (Internship)

- Led the UI/UX design and prototyping of key pages for both the Clubchat website and its accompanying mobile application.
- Ensured visual consistency and created engaging, intuitive layouts across web and mobile platforms.

ACHIEVEMENTS

- Earned 5-star ranking on HackerRank for SQL, demonstrating strong database querying skills.
- Certified A-Level National Cadet Corps Cadet, building discipline, leadership, and commitment.
