EDUCATION

B.TECH

DVR&Dr.HS MIC COLLEGE OF TECHNOLOGY

08/2021 - 06/2025

7.1 CGPA

Course

- Electronics and Communication Engineering.

WORK EXPERIENCE

Great Learning Academy

Python Project for Beginners

09/2024 - 11/2024

Great Learning Academy is an online platform offering free courses and certifications in various domains like programming, data science, and more.

Achievements/Tasks

- Developed a Python-based project to automate data entry tasks, demonstrating understanding of Python programming basics and libraries like pandas.
- Collaborated on a project to build a beginner-friendly python calculator application

Udemy

Trained in an Arduino course for beginners

08/2024 - 09/2024

Udemy is a global online learning platform offering a wide range of course taught by industry experts and professionals.

Achievements/Tasks

- Acquired foundational knowledge of Arduino programming and microcontroller concepts.
- Developed and debugged Arduino projects, including LED control and temperature monitoring.

SKILLS

Python

PowerBI, Tableau

Excel

SQL

MS Office(Word,Powerpoint)

PERSONAL PROJECTS

Adaptive Face Recognition System for Efficient Attendance (11/2024 - 02/2025)

- Manual attendance systems in Educational institutions often result in inefficient, such as time wastage and human errors
- For attendance marking, utilizing the Local Binary Patterns Histogram(LBPH) algorithm for robust face recognition.
- In modern educational and corporate environments, attendance tracking is fundamental necessity.

Employee Management System-Built with Django & SQLite (07/2024 - 09/2024)

- Developed a full-stack web application using Django to manage employee records with Create, Read, Update and Delete (CRUD).
- Implemented user authentication, admin panel access, and a responsive interface for efficient employee data handling.
- Integrated from validation and session management to ensure secure data input and controlled user access.

CERTIFICATES

Certified by Deloitte- Data Analytics Trainee (04/2025 - 05/2025)

Certified by AWS Academy- Cloud Virtual Internship (09/2024 - 10/2024)

Certified by EDX- Introduction to AI with Python (10/2024 - 11/2024)

Certified by- AICTE- Micro Chip Embedded Systems (12/2024 - 01/2025)
