

EDUCATION

MBA Business Analytics Sharda School of Business Studies(SSBS), Sharda University Cumulative CGPA: 9.0/10	Aug 2023 - Jun 2025
BSc (Hons.) Physics Physics Department, Panjab University Cumulative CGPA: 7.0/10	Aug 2020 - Jun 2023

SKILLS

Technical & BI Tools: SQL, Power BI (DAX), Tableau, ETL, Data Warehousing, Data Modeling, KPI Dashboarding
Programming & Analytics: Python (Pandas, NumPy), R, Excel (PivotTables, VBA), A/B Testing, Forecasting
Machine Learning: Regression, Classification, Clustering, NLP, TensorFlow, Scikit-Learn, Feature Engineering
Other tools & Skills: Google Analytics, SPSS, Cross-Functional Collaboration, Organizational Leadership, Process Documentation, Stakeholder Communication & Presentation, Requirement Gathering

WORK EXPERIENCE

Flipkart Senior Executive Analyst – SCM	July 2025 - Present <i>New Delhi</i>
- Validated logistics data with SQL for KPI dashboards with 99% accuracy. - Built Power BI dashboards; automated reconciliation using Python, saving 25% in audit effort. - Managed UAT and sprint planning using JIRA/Azure DevOps; resolved 40+ issues cross-functionally.	
IMA360 Data & Business Analyst Intern	Apr 2025 - June 2025 <i>Irving, TX</i>
- Configured AI-driven pricing and rebate modules and built 10+ operational reports, cutting ad-hoc requests 50%. - Automated Databricks ETL for daily ERP/CRM ingestions, improving data accuracy 35%. - Boosted margin forecasts 8% with pricing models; increased adoption 30% via user manuals.	
Avantika Medex Business Analyst Intern	Jul 2024 - Sep 2024 <i>Ahmedabad, GJ</i>
- Developed Power BI dashboards with DAX, reducing report time 30% and supply chain processes to cut costs by 15%. - Identified 20% new market share opportunities and recommended campaigns, raising engagement 25%.
