PROFILE

Aspiring Data Analyst with a strong data analysis, visualization, and problem-solving foundation. Proficient in Excel, SQL, and Power BI, in interpreting data to drive insights. Quick learner with excellent communication and collaboration skills, eager to contribute to your team's success.

EDUCATION

BE Computer Science (7.02 CGPA)

2020 – 2024 | Pune, India

Singhad College of Engineering

SKILLS

- Data Analysis & Visualization: Excel (Pivot Tables, VLOOKUP), Power BI (DAX, Power Query,)
- Programming & Database Management: SQL (MySQL, PostgreSQL), Python (Pandas, NumPy)
- Methodologies : Agile , Exploratory Data Analysis (EDA), KPI Monitoring
- Soft Skills: Communication, Collaboration, Attention to Detail

EXPERIENCE

Data Analyst Intern – Maxgen Technologies

2024/09 – 2025/02

- Translated raw data into actionable insights using SQL, Excel, and Power BI to support business decision-making.
- Identified patterns and trends in customer and sales data that led to data-driven recommendations for process improvements.
- Developed performance dashboards to monitor key metrics, enabling faster reporting and better visibility for management.
- Collaborated with cross-functional teams to understand data requirements and deliver customized analytical solutions.

PROJECTS

Ola Data Analysis | SQL and Power BI

- Utilized SQL to extract, clean, and prepare large datasets related to Ola's revenue, vehicle types, cancellations, and customer ratings.
- Built dynamic Power BI dashboards to visualize key metrics, providing actionable insights into business performance.
- Analyzed trends to improve customer satisfaction, optimize fleet utilization, and reduce cancellation rates, contributing to data-driven strategies.

Electric vehicle report | Power BI

- Developed an interactive Power BI dashboard to visualize Electric Vehicle (EV) market trends, including sales growth, market share, charging infrastructure, and environmental impact. Integrated multiple data sources, created calculated measures, and optimized dashboard performance for stakeholder use.
