OBJECTIVE

Aiming to leverage expertise in business analytics and data-driven solutions to enhance decision-making. Experienced in NLP models for document management and Power BI dashboards for sales analysis. Skilled in Python, Power BI, and MySQL, with strong analytical and problem-solving skills.

EXPERIENCE

Dew Solutions PVT LTD

June 2024 – July 2024

Machine Learning Engineer Intern

Gurgaon, India

- Contributed by designing and deploying NLP models for an Electronic Document Management System (EDMS) to automate contract data extraction and classification.
- Extracted key entities such as sender and subject using TensorFlow and Keras, seamlessly integrating the models into the platform.
- Conducted rigorous testing, validation, and reporting, leading to significant improvements in system efficiency and accuracy.

PROJECTS

Cancer Detection Using Deep Learning | Python, Tensor Flow, Keras

Dec 2024

- * Developed a deep learning model using Convolutional Neural Networks (CNNs) in Google Collab with TensorFlow to classify skin cancer images into 9 categories.
- * Achieved 93% accuracy by handling and pre-processing large datasets directly from Google Drive, demonstrating potential for enhancing dermatological diagnostics.

Data Visualization Dashboard | Power BI

Jun 2024

- * Developed a Power BI dashboard focusing on sales performance, customer satisfaction, and inventory distribution to provide actionable insights for business optimization
- * Designed and implemented the dashboard, incorporating real-time KPI tracking, interactive filters, and trend analysis.
- * The dashboard tracks key metrics like total sales (\$1.20M) and customer ratings (3.9/5), enabling customized analysis and enhancing decision-making.

SKILLS

Languages: Python (Matplotlib, Pandas, NumPy), MySQL, R

Tools: Advanced Excel, Power BI

Coursework: Data Visualization and Analytics, Big Data Analytics

Soft Skills: Teamwork, Communication, Problem Solving, Analytical Thinking, Project Management, Product Analysis

Communication: English (Professional), Hindi (Native)

ACCOMPLISHMENTS AND RECOGNITION

- AI -102 Designing and Implementing a Microsoft Azure AI Solutions (2024)
- Microsoft Power BI certification from Udemy (2023)
- Member (Sponsorship Team) – Avishkarnam (Literary Club of UPES) (2023)

EDUCATION

University of Petroleum and Energy Studies, Dehradun

2021 – 2025

B. Tech in Computer Science and Engineering - CGPA 7/10

Dehradun, India

(Specializing in Business Analytics and Optimization)
