Objective

- Detail-oriented, analytical and expertise in SQL, Python, and Power BI. Passionate about leveraging data-driven insights to optimize decision-making processes. Seeking a Data Analyst role to apply my technical skills and analytical thinking to real-world business challenges.

Technical Skills

Programming : Java, Python (Pandas, NumPy, Matplotlib, Seaborn)

Databases : SQL (Queries, Joins, Indexing, Optimization), Mysql, MongoDB

BI Visualization Tools : Power BI, Excel (Pivot Tables, VLOOKUP)

Data Analysis Processing : Data Cleaning, Data Wrangling, Exploratory Data Analysis (EDA)

Version Control : Git, GitHub

Projects

Adidas Sales Data Analysis Using Power BI, Excel

- Collected and cleaned sales data to identify trends in revenue and product performance.
- Improved sales insights by **40%** through advanced data visualizations (map, bar, line, donut charts) and dynamic filtering across region and date range.

Ecommerce Sales Using Power BI, Excel

- Developed a visually appealing Power BI dashboard for Ecommerce Sales, highlighting key metrics like total amount, profit, quantity sold, and payment modes.
- Enhanced decision-making efficiency by **35%** through category-wise insights, monthly profit trends, and dynamic state-level filtering.

Certificates

A Professional Training of Python Programming by IIT Kanpur

- A three month extensive training program offered by Electronics and ICT Academy, IIT KANPUR which includes practical approaches on python programming.

A Professional Training of Linux by IIT Kanpur

- Completed a hands-on training program on Linux system administration , covering file management, shell scripting, and basic server configurations.

Advance Excel and Tableau Professional Training by IIT Kanpur

- Completed a hands-on training program on Tableau, focusing on creating interactive dashboards, data visualization techniques, and generating actionable business insights.

SQL Certification

- Successfully completed, certificate course on SQL which is learned through COGNITIVE CLASS.ai platform.

Education

IIMT University Meerut, Master of Computer Applications

- CGPA: 8.5
