

Pratima Gcharge

PROFILE

Results-driven Data Analyst with experience at Semantic Technologies Pvt. Ltd, specializing in statistical analysis and machine learning. Proven ability to enhance data quality and deliver actionable insights from complex datasets. Skilled in Python programming and data visualization, utilizing strong analytical skills to support data-driven decision-making in agricultural technology solutions.

PROFESSIONAL EXPERIENCE

Data Analyst Intern

National AIDS Research Institute,Pune

May 2019 – Oct 2019

- Conducted data cleaning and preprocessing activities to ensure data quality and accuracy.
- Created graphs, charts and other visualizations to convey results of data analysis using specialized software
- Managed large-scale datasets using advanced Excel functions, ensuring organized and accessible information for future analyses.
- Compiled, cleaned and manipulated data for proper handling.
- Created data visualization graphics, translating complex data sets into comprehensive visual representations.

Data Analyst

Semantic Technologies Pvt, Pune.

Nov 2019 – April 2020

- Analyzed large datasets to uncover insights, trends and patterns using Python, R.
- Maintained a high level of accuracy when cleaning up databases and manipulating raw datasets
- Performed exploratory data analysis, data cleansing, feature engineering, and model validation.
- Applied sampling techniques to determine groups to be surveyed or used complete enumeration methods.
- Implemented supervised algorithms such as K-means clustering for segmentation of customers.

Jr. Data Analyst

Semantic Technologies Pvt, Pune

May 2020 – Sept 2020

- Automated repetitive tasks using scripting languages such as Python or R, saving time during the analytical process significantly.
- Read scientific articles, conference papers, or other sources of research to identify emerging analytic trends and technologies.

Education

Masters of Science in Statistics

Kavyitri Bahinabai Choudhary North Maharashtra University, Jalgaon.

June 2016 – June 2018
52.81%

Bachelor of Science in Statistics

S. P. College, Pune.

June 2013 – May 2016
62 %

KEY SKILLS

- Analytical tool : Excel, Power BI, Tableau
- Programming Language : Python, R, SQL
- Frameworks & Libraries : Pandas, Numpy, Scikit-learn, Matplotlib, ML
- Platforms : Pycharm spyder, jupyter Notebook
- Data Visualization, Statistical analysis, Data wrangling and cleaning, machine learning

CERTIFICATION

- Machine learning with Python, R.
Sane Statistics Academy, Pune
