EDUCATION

Degree	Institute	Board / University	CGPA/Percentage	Year
B.Tech IT	Indian Institute Of Information Technology Sonepat	IIIT Sonepat	7.7 (Till 6th Sem)	2022-2026
Senior Secondary	Sri Chaitanya college	Telangana Board	84.6%	2020-2022
Matriculation	Sri Aurobindo High School	Telangana Board	10.0%	2019-2020

INTERNSHIP

• IIT HYDERABAD

Jun 2025-present

Research Intern IIT Hyderabad

- Working as a Research Intern at IIT Hyderabad, collaborating with faculty and research scholars on cutting-edge projects in Computer Vision. Assisting in the development and evaluation of algorithms for image analysis and visual data processing. Gaining hands-on experience with research tools and methodologies, while preparing technical documentation and reports summarizing experimental findings and workflows.

PROJECTS

• Endangered Species

Nov 2024 - Apr 2025

Python, Jupyter Notebook, Computer Vision, C++, HTML, CNN

- The Endangered Species Detection and Prevention project uses machine learning to identify endangered species from images and videos, analyze population trends, and explore conservation measures.
- Implemented a CNN model achieving 85% accuracy in detecting endangered species across 10,000+ images.

• My Portfolio Website

Aug 2023 - Oct 2023

HTML, JavaScript, React, CSS

- Built a personal portfolio website to showcase education, projects, contact details, and achievements.
- Designed a responsive and clean UI using React and deployed it for public access.

• Grammar Scoring engine

Apr 2025 - May 2025

Python, Jupyter Notebook, SpeechRecognition, TextBlob, Flask, NLP

- The Grammar Scoring Engine project uses machine learning and speech recognition to evaluate spoken English, transcribe audio to text, and provide grammar scoring and feedback in real time. It is especially useful for learners and professionals improving their language skills.

• TripMate

Jan 2024 - Nov 2024

React, HTML, JavaScript, CSS

- Implemented a Travel Manager to handle up to 100+ user submissions with a focus on accuracy and reliability.
- Showcased 4 key sites in Japan, offering insights on 3+ areas with video links attached.

TECHNICAL SKILLS

- **Programming Languages:** C / C++, Python, JavaScript, HTML, CSS, SQL, Mern Stack, AWS, Java, Assembly Language, Competitive Programming, Machine learning, Jupyter Notebook, Tailwind CSS
- **Tools and Frameworks:** Jupyter, VisualStudio, Jira, Git, Excel, PowerBi, CNN, Docker, Canva
- **Operating Systems:** Windows, Linux
- **Soft Skills:** Leadership, Team Management, Adaptability, Problem Solving, Public Speaking

CERTIFICATIONS

- * AWS Certificate AWS
- * Power BI JS Academy

ACHIEVEMENTS

- * **SIH 2022:** Participated in the Smart India Hackathon and successfully cleared the internal round.
- * **CODING PROFILES:** Tackled more than 400+ problems on codeforces, leetcode, codechef, coding ninja, gfg etc
- * **EBSB:** Participated in an inter-state cultural exchange to promote national integration.
- * **STARTUP MAHAKUMBH:** Attended Startup Mahakumbh 2025, Asia's largest startup event with 1000+ startups and 50,000+ attendees, gaining exposure to innovation and entrepreneurship.
- * **Social media lead Ecell IIIT sonepat:** – Increased event participation by 30per through targeted online campaigns and collaboration with other student clubs. Managed a team of 5+ peers to plan, design, and publish promotional posts and stories for various events. Co-organized 5+ coding events and workshops, each with 50–100 participants, leading to a 20per rise in club engagement.
