Education

Shri Guru Gobind Singhji Institute of Engineering and Technology, Nanded Aug 2023 – July 2026
BTech in Information Technology

Government Polytechnic, Kolhapur Dec 2020 – Aug 2023
Diploma in Information Technology Percentage: 90.00%

Technical Skills

- **Languages:** Java, Python, C++
- **Web Technologies:** HTML, CSS, JavaScript, React.js
- **Databases:** MySQL, MongoDB
- **Tools & Platforms:** Git, GitHub, VS Code, Postman, Linux
- **Computer Science Fundamentals:** Operating Systems, DBMS, Computer Networks, Software Engineering

Projects

Healthcare (Hospital Management System) | MERN Stack June 2025

- Developed a full-stack hospital management system with frontend and backend dashboards for efficient healthcare administration.
- Implemented user roles including doctors, admins, and patients with secure login functionality.
- Built features such as adding doctors and admins, patient login, appointment booking forms, and messaging system for communication.
- Handled all core functionalities to streamline hospital operations including appointment management, user authentication, and messaging.
- **Live Project:** <https://healthcare-by-cwsp.netlify.app/>

Employee Management System | Spring Boot Framework in Java May 2024

- Developed a login module with separate access for employees and admins.
- Enabled admins to manage employee records through CRUD operations.
- Ensured efficient handling of employee data for smooth management.

Department Activity Portal | HTML, CSS, JS, PHP, MYSQL Feb 2023

- Developed a dynamic website for the IT department to manage events, notices, and documentation.
- Implemented a format generation model using DOMPDF to automate notice conversions and reduce paperwork.
- Integrated user authentication features with distinct logins for students, admins, and HOD.
- Created a photo gallery to showcase departmental events.

Experience

- Developed a basic tours and travels website using HTML, CSS, and JavaScript.
- **Live Project:** <https://tours-travels-by-shubham.netlify.app/>

Profiles

- **Profiles:** LeetCode, GeeksforGeeks, GitHub, LinkedIn

Certifications

- **Revolution IT Solutions:** Frontend Developer Intern

Other Activities

- **ITSA Technical Team Coordinator:** Led and coordinated technical activities, workshops, and events for the ITSA.
- **Coding Competitions:** Participated in coding contests and hackathons on LeetCode and GeeksforGeeks.
