INTERNSHIPS

Data Analyst Intern | Innodatatics, Hyderabad | [LINK](#)

May 2024 – July 2024

- Analysed vehicle number plate images for market research, categorizing data into **entry and exit** segments to support warehouse monitoring.
- Enhanced image preprocessing by cropping number plate regions for accurate detection using **YOLOv8** and **PaddleOCR**.
- Integrated real-time detection with **IP webcam feeds** (laptop/mobile), enabling live tracking for clients and warehouse staff via automated Python workflows.

PROJECTS

Vehicle Monitoring AI Solution | Innodatatics, Hyderabad |

- Developed an AI-based vehicle monitoring system using YOLOv8 and PaddleOCR, achieving **95%** precision and **75%** accuracy in number plate detection, with automated **Python** workflows reducing manual effort by **30%** and predictive models improving truck route compliance by **20%**.

Loan Syndication Process Tracker | Self Learning Project |

- Designed a complete loan lifecycle simulation covering bilateral and syndicated loans, including assignments, transfers, and **KRI** checks, with a Power BI dashboard for workflow bottleneck tracking and **Python automation** scripts to validate data, flagging **90%** of common errors..

Customer Insights & Revenue Analytics Dashboard | Self learning | [LINK](#)

- Developed comprehensive Insights analytics dashboard tracking **10+** critical **KPIs** including revenue performance, customer retention metrics, and regional sales distribution; implemented interactive visualizations with drill-through capabilities revealing actionable insights on payment preferences and product performance across multiple dimensions.

SKILLS

- Analytical Tools:** Python (pandas, NumPy, scikit-learn), Power BI, MySQL
- Financial/Banking Concepts:** Syndicated Loans, Bilateral Loans, Loan Trading, Assignments, Transfers, Static Data, KRI monitoring (basic understanding)
- Workflow/Process Skills:** Automation using Python, Real-time tracking systems, Dashboard creation, Data Quality Checks
- Soft Skills:** Communication | Stakeholder Collaboration | Interpersonal Skills | Adaptability | Continuous Learning

EDUCATION

University of Hyderabad - Masters of Business Administration (Business Analytics) – 7.5 CGPA

2023 – 2025

JNTUH - Bachelor of Technology (Mechanical Engineering) - 6.98 CGPA

2019 – 2022

CERTIFICATIONS

- Microsoft Certified: Power BI Data Analyst Associate - [CERTIFICATE](#)**
- Data Analytics with Python - NPTEL – Ministry of Education, Government of India - [CERTIFICATE](#)**
- Business Analytics with Excel: Elementary to Advanced - Coursera | [CERTIFICATE](#)**
- The Ultimate MySQL Bootcamp: Go from SQL Beginner to Expert - Udemy - [CERTIFICATE](#)**

EXTRA-CURRICULAR ACTIVITIES

- Volunteer - International Conference on Responsible Production and Consumption (Mar 2024)**
– Assisted in organizing and coordinating the event at University of Hyderabad, engaging with 300+ delegates on sustainability and food security.
- Event Anchor & Coordinator:** Ugadi & Mayabazar – Anchored and managed cultural events,
